### The Cumulative Effect of Costs on Return

The growth rate provided in this document is an indication and is not guaranteed. Actual costs and charges may depend on the performance of the Fund. The total charges deducted for the Fund will have an impact on the investment return you might get. Whilst performance can't be guaranteed, we can give you examples of how the charges will affect what you might get back.

GBP 10,000 lump sum invested in this Fund with an indicative gross growth rate of 3%	1 Year	7 Years (Recommended Holding Period)
What you might get back if there were no charges at all	GBP 10,300.00	GBP 12,298.74
What you might get back after charges	GBP 10,167.71	GBP 11,234.73
